

Mission of Mercy

NORTH DAKOTA

Dear Potential Donor,

On October 1-2, 2021, the floor of the Bismarck Event Center will be transformed into a 40-chair dental clinic, where generous volunteers will provide donated care for dental patients who, for whatever reason, have not received urgently needed dental care at the North Dakota Mission of Mercy.

We are still in need of support to make this amazing event possible and we humbly ask you to consider contributing. Please consider the following opportunities to give:

1. **Volunteering** -We will need over 120 dentists, 100 dental assistants, and 50 dental hygienists to adequately serve the needs of the patients. Please consider signing up to receive volunteer updates (slots open July 2021) at: ndmom.org. Some practices choose to make in-kind donations by covering the expenses of their staff to volunteer as a team.
2. **Donating** - This event is funded entirely through generous donations to cover the cost of the facility, supplies, equipment, & volunteer meals. The North Dakota Dental Foundation is the fiscal sponsor of this event and is a 501(c)(3) exempt nonprofit organization. Tax-deductible donations may be given in the following ways:
 - a. **Cash Online:** ndmom.org (Click on the “donate” button).
 - b. **Cash/Check:** North Dakota Dental Foundation *Attn: ND Mission of Mercy*
4141 28th Avenue S
Fargo, ND 58104
 - c. **In-kind:** We’ve partnered with Henry Schein Dental and Patterson Dental to make it easy to give a tax-deductible **in-kind donation of supplies** in 3 simple steps:
 - 1) Choose the dollar amount of in-kind supplies you’d like to donate. (Most practices do \$500 or \$1,000).
 - 2) Simply contact your clinic’s Henry Schein Dental or Patterson Dental representative.
 - 3) Your clinic’s supply company representative will order the supplies and have them shipped directly to our warehouse.

A donation of \$200.00, on average, supports one patient to receive care at this event. ***How many dental patients would you like to give hope through a smile at the next ND Mission of Mercy?***

With Gratitude,

Brent L. Holman, DDS
